## PASS THE MIC

Within our differences we find strength, we find growth, and ultimately, we find that we are more alike then we expected. As our focus shifts to nurturing a culture of belonging at ICUS, we'd like to LEARN MORE ABOUT EACH OTHER.

The "PASS THE MIC" spotlight will help us build an inclusive culture that celebrates diversity.

Click here to share events, cultural celebrations, and traditions that are IMPORTANT TO YOU. We will highlight your submissions in our monthly communications so we can CELEBRATE our difference and grow together.

## FRIENDLY REMINDERS

1. The CTC Committtee is conducting an ICUS Internal DEI Survey and we'd like EVERYONE IN THE ORGANIZATION to participate. If you haven't already, please click here to make your voice heard! The survey will close on March 28, 2022.
