Dear *(Contact Name or Charity Name)*,

You may already know this, but a cornerstone in the credit union culture is finding ways to give back. Giving back to our members, communities, and beyond is part of what differentiates us from the other guys! Another foundational element is our understanding of cooperation, and the power behind it. Credit unions take the cake with that, too! In fact, Illinois credit unions believe in these two principles so much, we designated a whole day to demonstrate them called CU Kind Day. This annual, statewide day of kindness is our chance to show our communities throughout Illinois how much credit unions care!

This year, we would like to celebrate CU Kind Day with you! *(Your Credit Union Name)* is so grateful for the important work that you do at *(Charity Name)*, and we wanted you to know! Please accept this donation of \$\_\_\_\_\_ as our way of saying "thanks" for all you do!

Doing Good & Feeling Good,

*Your Name, Credit Union Name*
