Peer Networking Symposiums

March 22, 2024 | Naperville, IL

November 7, 2024 | Springfield, IL

ICUL recognizes that part of what makes the credit union movement so great is our cooperation and collaboration between credit unions. By participating in peer networking groups, you become part of a unique professional community that creates a space for idea sharing, brainstorming solutions, best practices, and lessons learned. With 12 different peer groups available, the Peer Networking Symposium presents an opportunity to get role specific with colleagues or mix it up with a different group for something new.

Chapter Leaders Workshop

April 18, 2024 | Bloomington, IL

Chapters are an integral part of the Illinois Credit Union System. Their purpose is to promote the credit union philosophy, encourage networking among credit union professionals and volunteers, meet regularly to exchange ideas, and provide training opportunities along with various League and legislative updates. This workshop is the perfect opportunity to gather ideas on how to revitalize and enhance your chapter's effectiveness.

State Legislative Summit

May 1, 2024 | Springfield, IL

The 103rd General Assembly is underway and the need for strong political advocacy has never been more important. ICUL's State Legislative Summit (SLS) serves as a platform to make our united voices heard promoting the powerful credit union cause to the Illinois General Assembly. This in-person event will include the Annual Delegates meeting, CUPAC silent auction, notable speakers on top issues, Capital visits and a legislative reception.

New in 2024, a small young professional CRASH the SLS opportunity will be offered.

Women's Leadership Conference

May 9 - 10, 2024 | Lombard, IL

The Women's Leadership Conference is designed for credit union leaders and professionals to learn, connect, and collaborate to support the advancement of women in our industry. Created for women, by women, ICUL strives to provide participants with knowledge and networking opportunities needed to make a difference for each other, their members and their communities.

Young Professionals Conference

June 13 - 14, 2024 | St. Charles, IL

Providing engaging opportunities for young professionals is essential in developing the next generations of leaders. The Young Professionals Conference offers interactive learning with an open mindset that focuses on teaching credit union fundamentals and developing personal and professional skills while building a supportive peer network.

Small Asset Size Conference

August 8 - 9, 2024 | Naperville, IL

The sessions are designed specifically for credit unions under \$100 million in assets and will provide your credit union team with important industry ideas and information. You'll also have the unique opportunity to build relationships with peers from similar-sized credit unions across Illinois. In addition, attendees will hear from industry experts on marketing, grant writing, lending, regulatory updates, roundtable discussions and more!

CU Kind Day

October 14, 2024 | Throughout Illinois

CU Kind Day is a statewide celebration of the credit union difference with the goals of spreading kindness, impacting the communities we serve, and growing credit union awareness. On this day, the Illinois credit union movement comes together to demonstrate our principles of cooperation among cooperatives, caring for our communities, and the difference we make when we all work together to do good.
