

WHO SHOULD ATTEND?

Credit union CEOs/presidents, chief management officials, board members, grassroots coordinators, volunteer advocates, and others interested in the future of credit unions.

HOW DOES MY ATTENDANCE BENEFIT MY CU?

The State Legislative Summit (SLS) provides political awareness of industry issues, the tools to effect change, and credit union networking. By working together, we can unite to achieve our legislative goals and advocate for our members to make a meaningful difference.

2018 is an election year with many General Assembly members up for reelection and with 30 open legislative seats, creating a significant opportunity for political involvement. This year's summit will focus on key credit union messaging to share with Illinois state legislators. As leaders of the credit union industry, your voice is critical! The summit serves as a platform to make our united voices heard promoting the powerful credit union cause.

SLS offers the opportunity to network with peers and get the inside scoop about credit unions' hot issues. You will hear from a political analyst, policymakers and credit union experts on the political landscape and its effect on credit unions. You'll learn how to effectively deliver the credit union message and make the most of your State Capitol visits. Make plans now to attend and join us in the state's capital city to connect with leaders throughout the state of Illinois!
