

For the fifth year, Select Employees Credit Union staff have commemorated Breast Cancer Awareness month in October, in behalf of the CGH Health Foundation Women's Health Program. Customers purchased pink ribbons in honor of or in memory of individuals who battled breast cancer. Their gift of \$962 will go toward helping fund mammograms, Pap tests, and other diagnostic tests for the women of the Sauk Valley. From left are, Chief Executive Officer Suzie Branch, Jackie Hummel, Monica Kinmon, Foundation Executive Director Joan Hermes, Tuesdai Harris, Jon Boyton, Tegan Frankfother and Erin Book.
