**October & November 2021** - During this season of giving back, NuMark's staff came together to support the community. They participated in the Illinois Credit Union League's CU Kind Day and sponsored two Northern Illinois Mobile Food Trucks.

CU Kind Day is facilitated by the Illinois Credit Union League and encourages a state-wide initiative to spread kindness. NuMark happily joined 66 credit union partners who also participated in this day of giving back.

On October 11, 2021, 48 NuMark staff and family members rolled up their sleeves to make a difference in the communities NuMark serves. NuMark had two groups of volunteers: one group spent the day with [The Bridge Teen Center Thrift Store](#) and another group helped the [Marie Wilkinson Food Pantry](#) to host a mobile food truck.

While at The Bridge Teen Center, NuMark Staff helped to organize and inspect clothing donations for their thrift store. They packed 260 bags of clothing which helped 13 students attend the facility for FREE
