**TO: Credit Union Chief Executive Officer**

**RE: CUPAC Honor Roll Program - action requested by 5-1-2022**

CUPAC conducts various fundraising programs throughout the year, designed to generate funds from different audiences. Now is the time that CUPAC seeks *individual* donations, such as donations from your board via the Advocate/Associate Honor Roll program. Your credit union can do its part to support continued political action programs by participating.

CUPAC is Illinois credit unions' political action committee. The CUPAC board anticipates contributing almost \$300,000 in the 2022 primary and general election to help state and federal candidates who support issues of concern to credit unions. This will be accomplished with the voluntary support of individuals, credit unions and chapters.

An ongoing, comprehensive legislative/political action program includes grassroots involvement and financial resources. Both are essential in effecting a favorable legislative climate.

## **HONOR ROLL**

Honor Roll credit unions are those in which the entire Board of Directors, as well as the chief executive officer, enroll as individual members of CUPAC. This may include any combination of Associate or Advocate memberships as long as at least one member is an Advocate. An Associate membership is \$50. Advocate memberships have three giving level options: 1) Individual Advocate membership-\$150 (\$200-Spousal); 2) Advocate-Ambassador membership-\$250 (\$300-spousal); and 3) Golden Ambassador Advocate membership-\$500.

As an Honor Roll credit union, your support and commitment to political action will be recognized during the Celebration Luncheon held in conjunction with the League's annual convention.

This is an excellent opportunity for federally-chartered credit unions to participate in CUPAC. Federally-chartered credit unions are prohibited by law from making a corporate contribution to a political action committee, yet many credit union legislative issues affect both state and federal credit unions. Personal donations from your Board do not face the same restrictions.

The Honor Roll program is designed to solicit individual contributions, not credit union funds. It is preferred that personal checks or share drafts be sent, however the credit union can collect the checks and submit one check. Credit unions that contribute corporate funds in excess of \$100 aggregate for the year, will be subject to federal income tax liability on those funds. Federally chartered credit unions are prohibited from contributing corporate funds to any political action committee.

Please help ensure the future of the credit union movement by enrolling as an Honor Roll member today. The contributions will be greatly appreciated.

Questions should be directed to me at the Illinois Credit Union System (630-983-3416 or Pat.Huffman@icul.com).
